PRESS RELEASE

For Immediate Release

A grand opening ceremony for the new Fort Bend County Sugar Land Annex will be held at ten o'clock in the morning on Friday, September 21, 2007. Those attending the grand opening will have an opportunity to tour the facility.

The building, located at 12550 Emily Court in the Sugar Land Business Park will house various departments including Fort Bend County Transportation, Fort Bend County Tax Assessor and Collector, Fort Bend County Constable Precinct 3, and Justice of the Peace Precinct 3. County Judge Bob Hebert commented "This new facility will provide East Fort Bend residents including those in Sugar Land, Stafford and Meadows Place with significantly improved access to the many services provided by these departments."

Previously, these departments were housed in three different buildings; this 18,000 square foot facility puts them all under one roof. The purchase, re-design, and the mechanical and structural rehabilitation of the building was managed by the County's Facilities Management & Planning Departments. The interior renovation and landscaping was completed by the County's Interdepartmental Construction Department. The use of these skilled employees allowed the project to be completed to a professional, highly crafted finish at a greatly reduced cost.
